Bangalore

Sir

In continuation of our memorial to the British Residency we beg to bring to your notice the following circumstances.

On the 27th ultimo we received a docket from the Collector & District Magistrate Civil & Military Station informing us that we could continue supplying our four Beer Taverns in the Civil & Military Station limits: but as no allusion was made to Bees Taverns No. 1. & 9. also situated in the Civil & Military Station limits (Shivlays) and which we have been supplying since the Establishment of our Brewery, we on the 2nd Instant applied for passes for these two shops, but were refused as per Copy of the Collector & District Magistrates letter dated the 5th Inst. We pray the indulgence we asked in the latter portion of our memorial to the British Residency may be extended to the supplying of

in the Pettah limits, and we owned therefore humbly suggest that the Brewery owned by the Proprietors (Messrs. V. Simungattura & Chetty) be ordered to move into the Pettah, and we are prepared to move as before stated into the Civil & Military Station limits - We beg also to bring to your notice that at present out of 4 Taverns in the Pettah they are Supplying two -

Your Petitioners beg to state that there are Twenty six Taverns in the Civil & Military Station limits, while there are only four in the Petta, that the consumption of Beer is principally in the Civil & Military Station limits, the sales of Beer in the Petta is nominal -

The Circulars issued by the Collector of Excise to the Taverns in the Civil & Military Station, to draw their Supplies of Beer from the other two Breweries which are considered to be in the limits of the Civil & Military Station if carried into force would be a great hardship to us, as we hold four Taverns in our name and which were granted to us especially as outlets for the Sale of our Beer - and if Compelled to Comply with the order, we who are the Licensee holders of these Taverns would be under the painful necessity of purchasing Beer from the other Brewers, while we are Licensed Brewers, and own a manufactory and always have on hand a large Stock of Beer,

On the 3rd Instant we received from the Deputy Commissioner a Docket (Copy attached) Calling on us to pay the Duty on Beer issued to the Civil & Military Station & Town of Bangalore Separately to the District & Residents Treasury

by this arrangement the working of the three Breweries will not be disturbed - and the accounts submitted as directed will ensure the duties, being respectively paid into the Residency & District Treasury -

We beg respectfully to draw your attention to the fact that we have paid the licensee fees for our Taverns up to the 31 Dec 84 viz Rs 1801 / each Tavern, and it would be a very great hardship and loss to us if we are prevented from supplying them, after all the trouble & expense we have been put to to organize and work them and beg they may be permitted to draw their supplies from us as heretofore.

If in the interests of the Government of the Civil & Military Station it is absolutely necessary to separate the Civil & Military Station Taverns from those in the Pettah - we beg under the above circumstances we be permitted to continue working as at present until the End of this Calender Year, by which time we hope to complete our arrangements and save ourselves as much loss as possible.

We beg to annex a Tabular Statement of Beer issued from our Brewery in the Civil & Military Station limits & Pettah and from which it will be seen that Sales in the Civil & Military limits are considerably in excess of those in the Pettah

We leave our memorial in your hands, with the confident hope that you will not knowingly deem us losers, and placed us in a disadvantageous position from unavoidable

Bangalore

The Humble petition of Francis Norris Abraham and Thomas Honeywell, trading under the designation of "Messrs. Honeywell & Brewers, 16 & 18 Bagh Road,

Humbly Sheweth.

That your petitioners are licensed Brewers of Beer and Porter, and have held & worked their Brewery from 1st April 1880.

That previous to that date Mr. Thomas Honeywell was a licensed Brewer for 15 years in the province of Mysore, and worked also in partnership Mr. Francis Norris Abraham for five years, and both were obliged to cease working temporarily in consequence of the duty on Fermented Liquors being raised from 2 as to 4 as per Gallon

That on the duty on Beer being subsequently reduced to 2 as, the original rate, they applied for and obtained their present licenses and have since duly and faithfully conducted the Brewery, in strict accordance with the provisions of their License and punctually paid all duty as they fell due

Your Petitioners are now informed that it is in contemplation to separate the Taverns, those situated in the Petta drawing

Respected Sir

We respectfully beg to be pardoned the liberty which we have in the present instance taken to address you on the undermentioned subject, in the sincere hope that you will be so good as to bestow towards it a favourable consideration

We respectfully beg to state, that we hold a Brewery, which was until very recently recognized to be within the limits of the Civil and Military Station of Bangalore; but which has now been declared to be beyond the limits, in consequence of which we were in your Order No. 612/324 dated the 12th Instant, directed that one or the other either ourselves or Messrs. Bonnycastle & Co. should agree to move their Brewery into the Civil and Military Station, and the Firm that is prepared to do so, should apply as early as practicable for a License for another year, which we had already done without loss of time, and we believe two days previous to that of Messrs. Bonnycastle & Co., and the same was reported in our Petition of the 14th Instant to the Assistant Resident.

We

We beg further to state, that in disposing of our Applications you will kindly take into consideration the following facts,

1st That our Brewery is the longest standing in the Station, and not that of Messrs Thomas Honeywell and F. N Abraham, the Statement appended will show you the dates the Breweries were established — more accurate information on this point can be obtained from the Deputy Commissioner of the Bangalore District

2nd That the Beer we brew is more appreciated by the Public than that brewed by the other Brewers of the Station; this is proved by the great demand upon our Brewery, and the large Amount of duty we pay to Government since the rendition up to 30th April 1884, we have paid Rupees 24,164-14-0 for the Civil and Military Station alone, Messrs Abraham & Co. paid about Rupees 13,500 — and Messrs Thomas Honeywell and F. N. Abraham paid about Rupees 8,500 — this information can also be obtained from the Deputy Commissioner of the Bangalore District. —

3. That should you feel satisfied that our Brewery had been established long before that of Messrs Thomas Honeywell and F. N. Abraham, not only from the large demand for our Beer, but also the

quality being better than that brewed by the other Brewers, and moreover should it be your intention to have only two Breweries within the Civil and Military Station, we respectfully solicit that you will kindly be pleased to give us the Licence for the Second Brewery in preference to the others in consideration of the large amount of duty we had paid, and still continue to pay Government. —

For which Kindness we beg to assure you Respected Sir, we shall not only feel extremely thankful, but also very grateful. —

We remain

Major H. Wylie C. S. I.
Assistant Resident

Sir

Confirming our application addressed to the Collector & District Magistrate to remove our Brewery into the Civil & Military Station, we beg leave to address you - and take this opportunity of thanking you for the indulgence accorded us in being permitted to supply Beer from our Brewery to the Shops in the Civil and Military Station as hitherto till the End of the Year

We were also informed by the Collector & District Magistrate that should either of us require Licenses for another year one or other should agree to move their Brewery into the Civil & Military Station, and the firm that is prepared to do so, should apply as early as possible, we lost no time in submitting our application to do so

We now beg permission to bring the following circumstances to your notice and solicit your kind support on our behalf

Both of us (Messrs Honeywell & Co & Messrs V Gungathara chetty) are licensed Brewers in Bangalore for many years - and have always given satisfaction

That there are only three Breweries in all in Bangalore - as Enumerated in the Margin

Messrs Abraham & Honeywell & V Gungatharaiah

Messrs. Abrahams are now in the C T M limits and have always been so.

Messrs V. Gungatharaiah Chetty - were always out of the Cantonment limits, and are still so,

We (Messrs Honeywell & Co) were formerly in the Cantonment limits but now unfortunately happen to be beyond -

So that we two according to the Residents ruling are Excluded -

Beyond the ~~three~~ Breweries Enumerated there are no others in existence in Bangalore, as the Residents is willing to permit one of the two Excluded Brewers to come in we humbly pray that the indulgence may be extended to the other Brewery, so that neither of them may be in a disadvantageous

position now - or be lowered - in the absence of any other Breweries being in existence, the possibility of any further claims being considered is included -

The sales in the Petta are so limited that they would not be enough to alone maintain a Brewery & the sales have always been confined to the Civil & Military Stations - to select one Brewer and to reject or refuse the other, would in Effect practically be to close the latter which we are confident a liberal Government would never contemplate the loss of Business, Capital and Outstanding would be very serious to the rejected Brewer - and as both of us are prepared & willing to remove into the Civil & Military Station and to avoid any preference being made - we humbly beg the privilege of moving into the Civil & Military Station instead of being limited to one, be extended to the two Breweries, there being no other in existence beyond us both to claim the privilege: by which means the present arrangement of manufacture and supply with remain undisturbed Each Brewer retaining the shops

he has been hitherto supplying

The Principal object of Govern
ment in these Changes being the
Correct Collection of its duty, we
are prepared to abide by any
orders or Restrictions you may
from time to time be please'd to
introduce, so that duty on Beer
issued to the Civil & Military Sta.
and the Town of Bangalore may
be paid Separately to the Resident
and District Treasury respectively

Under present arrangement to
the issue of Permits from the
Collector & District Magistrates
as well as the Deputy Commissioners
is so carefully & Continually
done, that there is no possible
chance of any loss of Revenue
to Government -

We believe the Deputy Commissioner
has no objection to the Civil
& Military Station in Bangalore
supplying the Town of Bangalore
provided the duty on such
Sales is paid into his Treasury

Station of Bangalore

Sir

I am directed to acknowledge the receipt of your letter No 69 dated the 19 Instant requesting to be informed which of the two breweries should be removed into the Civil and Military Station as both the Brewers have applied for permission to remove within the station limits, and in reply to state that the preference must be given to Mr Shingadaiah Chetty No for the following reasons
(1). They are the largest brewers and have been paying lately as shown by the returns much the most duty.
(2) They present

ery is away from
the Pattah and if they
are not allowed to
move into the Civil
and Military Station
they would have to
move towards the
Pattah; this is not the
case with Messrs
Stonewell & Co whose
premises are in the
Pattah direction.—

/3/ As to length
of period of establishment
there is not much
difference and the
point is not of im-
portance but Messrs
Gungadurn Shetty &Co
assert apparently
with reason that they
bought Mr Stonewell
original establishment
in 1875, and that
Messrs Stonewell & Co did
not establish another
until 1878, so that

the oldest Establish-
=ments of the two is
that held by Messrs
Grainger and Co
&c

The Resident will be
sorry to hurt Messrs
Stonewell & Co's business
~~Co's Establishment~~
but it has been decided
for good reasons that as
regards beer the Licenses
for the Civil and Military
Station, and Fort side
shall be distinct from
the Commencement of next
year, and that decision
will not be altered—
Mr Lyall is also of opinion
that two breweries are
enough for the Civil and
Military Station. Messrs
Stonewell & Co will therefore
not get a license for
the Civil and Military
Station, nor will their
beer be admitted next
year, but it is hoped
they will find enough
demand for their busi-
-ness on this side.—
